

Persona® C30 Photo ID System

Simply Reliable.
Simply Affordable.
Simply Persona.

Everything needed to make great-looking photo IDs.

Now there's a no-headache way to help you produce great-looking photo ID cards: the Persona C30 Photo ID System. It's a complete, easy-to-use solution that includes a USB digital camera, user-friendly Persona Build-A-Badge software and the Persona C30 Card Printer. The C30 is simple to operate, with easy-loading supplies and will even print on your current stock of 30 mil cards.

Simple to use from start to finish.

The Persona C30 Photo ID System gives you great results without the complexity of more advanced card identity systems. Setup is so easy you can do it yourself. The photo ID software and printing procedure take just a few minutes to learn. And the reliable performance of the Persona C30 Card Printer means it produces card after card virtually maintenance-free. For an all-in-one solution that's simple from the moment you open the box, it's Simply Persona.
